The Modern Idea of the Rational Cure of Indigestion and Dyspepsia

Has been the study of the doctors of the old school and the doctors of the new school, and both proclaim that nothing is more effective to the digestive organs than pure pepsin in order to get all the nutriment out of the food partaken of and assimilated to the system.

NEXT COMES

The proclamation that if this treatment is accompanied by a proper tonic to meet the effects of the unusual work upon the digestive organs such as pure port wine, THEN THE WORST CASE OF DIGESTION OR DYSPEPSIA must succumb to the combined actions of pepsin and port wine. The happy thought of such a common sense remedy is represented in

Besides the presents already mentioned, many came with apples, pears, butter, applebutter, canned fruit, coal, soap, and a purse containing \$20.
